OPINION AND ORDER GRANTING MOTION FOR CONTINUANCE

On September 24, 2019, Defendant moved for a continuance of the final pretrial conference and jury selection and trial because the Defendant and counsel had not yet had adequate time to review additional discovery requested by defense counsel, and the Defendant had not had adequate time to consider whether he wished to file pretrial motions, have a trial or plead guilty (D.E. 19). The United States was unopposed to the motion.

Under the Speedy Trial Act, a district court may grant a continuance and exclude the resulting delay from the time in which a trial must commence if it makes on-the-record findings that the ends of justice served by granting the continuance outweigh the public's and defendant's interests in a speedy trial. 18 U.S.C. § 3161(h)(7).

Having considered the Defendant's motion, the Court finds that the failure to grant a continuance in this case would deny counsel for the defendant the reasonable time necessary for effective preparation, taking into account the exercise of due diligence.

Accordingly, the Court finds that the ends of justice are served by granting a continuance in this case and outweigh the best interests of the public and Defendant in a speedy trial, and the period of the continuance is excluded from speedy trial computation.

The Court **GRANTS** the Defendant's motion (D.E. 19) and **CONTINUES** the final pretrial conference until **October 30, 2019, at 3:00 p.m.** before undersigned and schedules the jury selection and trial for **November 12, 2019, at 8:30 a.m.** before Hon. David S. Morales.

ORDERED this 24th day of September, 2019.

B. JANICE ELLINGTON
UNITED STATES MAGISTRATE JUDGE
